 THE WATERMARK  
AT 3030 PARK

## ENHANCED LIVING

Step into 2 North, the newest living experience at The Watermark at 3030 Park. 2 North offers comfortable, personalized living with an added touch. We call it Enhanced Living.

Customized in-home care from certified and licensed nursing professionals is available to 2 North residents on an à la carte basis. From helpful medication set ups and reminders to assistance with dressing or bathing or even escorted visits to the doctor, 2 North caters to every resident's needs, right in the privacy of their own residence. There are no hidden charges and you never pay for services you don't want or need.

Accommodating just 10 neighbors, 2 North is ideal for individuals who thrive on quality care, personalized service and choice. Here, you can live confidently, pursuing your passions throughout each day knowing that an associate is always available to answer questions and assist you, day or night.

## OUR VISION FOR ENHANCED LIVING

Every private residence at 2 North is just steps from the art gallery and a myriad of other amenities. You'll have the best of both worlds – easy access to all the communitywide classes and socials Watermark is known for – plus your own private corner of the community to call your own. Say good riddance to grocery shopping and cooking because your monthly rent includes three delicious meals daily. Come and go as you please and when you return, you'll find that your bed is made, your residence is tidy, and your linens are clean and folded.

## IT'S ALL ABOUT CHOICE.

Over 25 years of experience have taught us that today's seniors want more choices and are leading a more active lifestyle than generations before. That's why we created a community filled with options, with a wide variety of apartments, great cuisine and a lifestyle of growth and discovery. We even offer flexible financial options so more people can enjoy The Watermark lifestyle. It's all part of our commitment to creating extraordinary communities where people thrive.
